EXTRAORDINARY EMPRESS EVENINGS

We believe in everyday celebrations, so we're giving you even more reasons to create special memories and experiences with our celebrations package.

Take advantage of our unique location in the cultural hub and along the banks of the picturesque Singapore River by enjoying pre-dinner snacks and our signature Beijing Bellini at EMPRESS Bar. You'll be treated to a breezy alfresco terrace and views of the colorful Boat Quay façade.

Following that, you'll be ushered into EMPRESS' beautifully-appointed dining room and given the best seat in the house. Tuck into a delicious 4-course dinner featuring traditional Chinese dishes including our signature roasts and double-boiled soups. Don't forget to save room for our much-lauded desserts as you and your companion gaze over the water and soak in the magic of EMPRESS.

If you want to add even more romance to your dinner, let us arrange for a box of chocolates or even a bouquet of flowers to surprise her with!
